

The January MAS Auction we will be accepting pre-registrations thru this website only. You are welcome to download and use the Excel Worksheet that we used on the last two auctions, fill it out and print it to bring with you to the auction - but this will not be considered a "pre-registration". We will accept entries at this web page until 11pm on Friday, January 24, 2014.

The MAS OnLine Auction Item Entry form can be found at: <http://www.kkcreate.com/MAS>
That is an uppercase MAS.

If you have bought or sold items at an auction in the last 6 months you will be able to use the online form. You will need to know your email address and your buyer/seller number to enter the system.

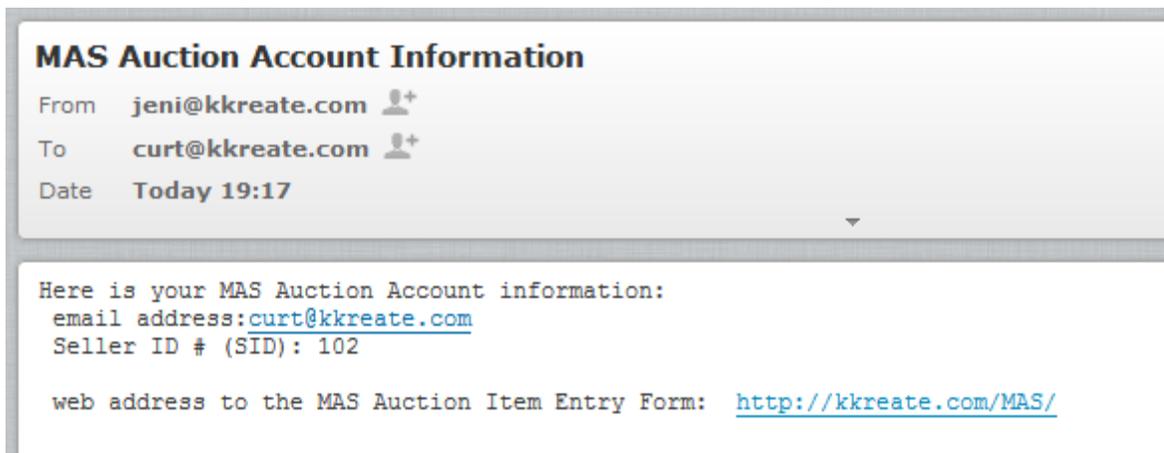

Enter your Name:	<input type="text" value="Curt Kafer"/>
* Enter your email Address:	<input type="text" value="curt@kkcreate.com"/>
* Enter your Seller #:	<input type="text" value="102"/>
<input type="button" value="Submit Query"/>	
* - required fields	
If you do not know your Seller # you can search our database using this form: Find your SID	

If you do not know your buyer/seller number you can look it up using the link at the bottom of the login form.

Please provide your email address:	
Enter your email Address:	<input type="text"/>
<input type="button" value="Submit Query"/>	

Enter your email address and the system will send you an email telling you your login information. If the system cannot find your email address you will have to contact Curt Kafer and he can setup your online account: curt@kkcreate.com - 612-804-5470.

Example of email:

Once you get logged into the web page your information will appear at the top, there is an entry form in the middle and the list of items you have entered will be displayed on the bottom of the screen.

Example of the Entry Form:

Seller #	Name	email
102	CURTIS KA FER	curt@kcreate.com

Add an Item

Category	Description/Genius	Description/Species	Note/Qty	
Select Category ▼				Save

Items Entered:

Qty: 0

Category	Description/Genius	Description/Species	Note/Qty	timestamp
----------	--------------------	---------------------	----------	-----------

How the Entry Form works:

Category: Select: Food, Live, Equipment, Plants, Media, Tank, Other

Description/Genus:

If you choose Food or Live from the Category field, the Description/Genus field is setup with autofill and as you start to type it will display a list that you can choose from of pre-entered items. You do not have to choose from the list, it is there to help speed up and prevent errors. You do need to type 1 letter in the field for the autofill feature to work - then you will get a list of suggestions.

Description/Species:

If you choose Food or Live from the category field, the Description/Species field is setup with autofill and as you start to type it will display a list that you can choose from of pre-entered items. You do not have to choose from the list, it is there to help speed up and prevent errors. You do need to type 1 letter in the field for the autofill feature to work - then you will get a list of suggestions.

Note/Qty: You can enter more detail about your item in this field if you choose.

Save - once you have the form completed click the Save button to save this record.

Example of Description/Genus autofill feature:

The screenshot shows a Firefox browser window titled "MAS Item Entry Screen" at the URL "kcreate.com/MAS/". The page features a table with the following data:

Seller #	Name	email
102	CURTIS KAfer	curt@kcreate.com

Below the table is an "Add an Item" form with the following fields:

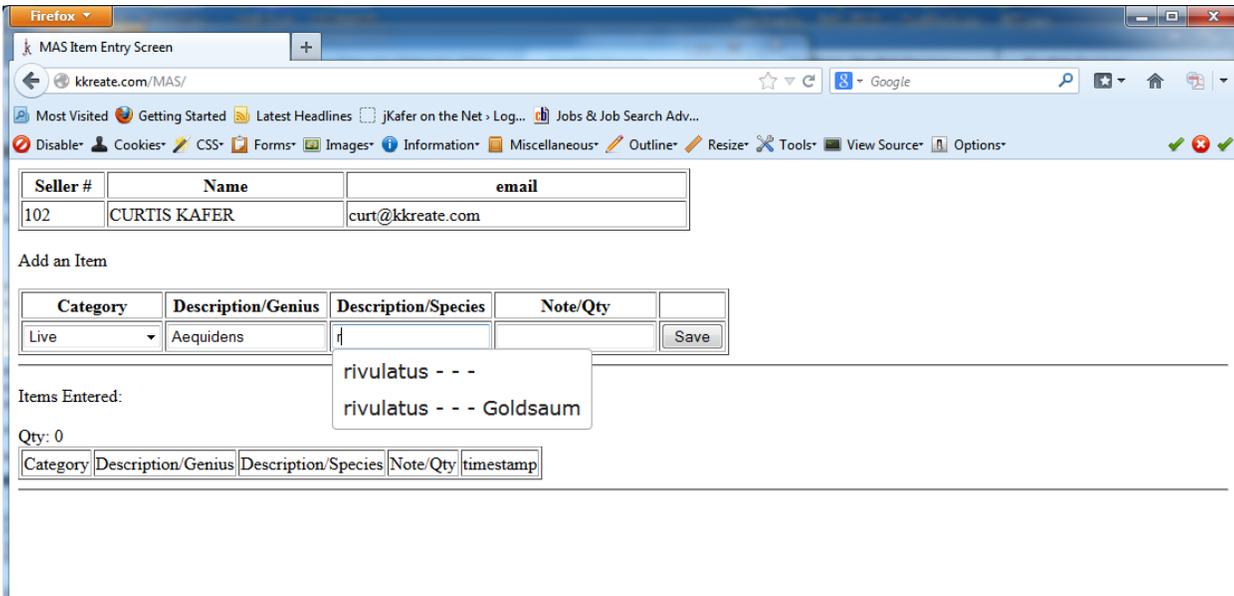

- Category:** Live
- Description/Genus:** a
- Description/Species:** (empty)
- Note/Qty:** (empty)

A dropdown menu is open under the "Description/Genus" field, displaying a list of genus names starting with 'A':

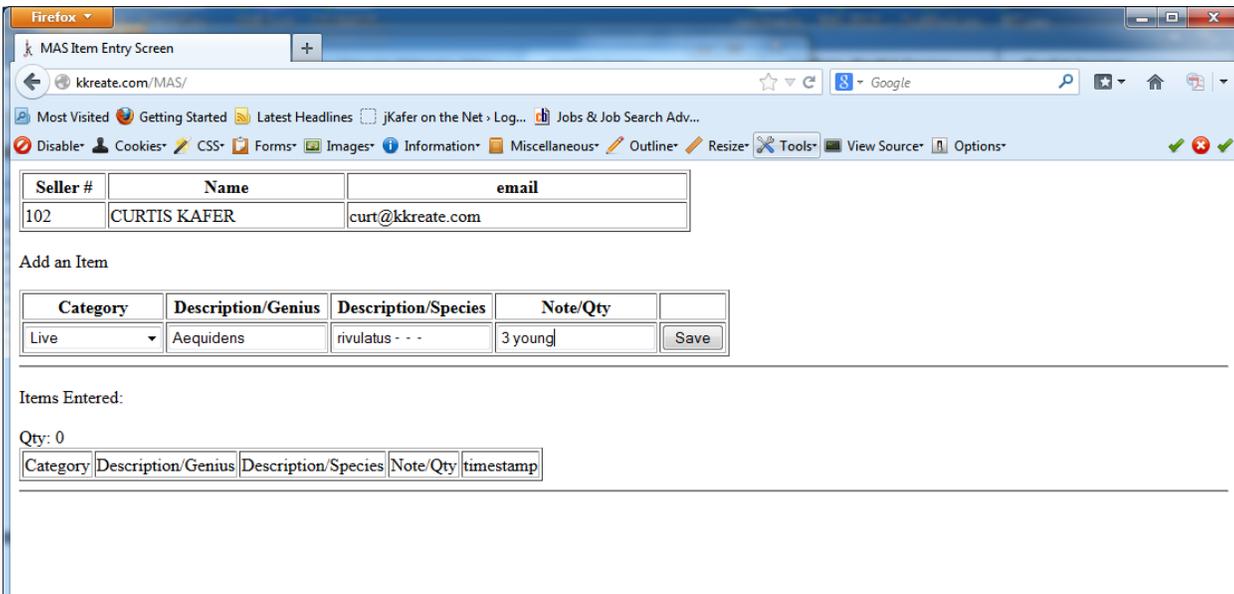

- Aequidens
- Alestopetersius
- Alfaro
- Allodontichthys
- Allotoca
- Altolamprologus
- Ameca
- Amphilopus
- Ancistrus
- Andinoacara
- Anomalochromis
- Aphanius
- Aphyocharax
- Aphyosemion
- Apistogramma
- Apistogrammoides

The "Save" button is located to the right of the "Description/Genus" field. Below the form, there is a table with columns: Category, Description, Note/Qty, and timestamp.

Example of the Description/Species autofill feature:

Example of a complete filled in form before it has been saved:

Example after saving an item.

The screenshot shows a Firefox browser window with the address bar at `kkreate.com/MAS/`. The page content includes:

Seller #	Name	email
102	CURTIS KA FER	curt@kkreate.com

Below this is the "Add an Item" section with a form:

Category	Description/Genius	Description/Species	Note/Qty	
Live	Aequidens	rivulatus - - -	3 young	Save

Underneath is the "Items Entered:" section, which shows a summary and a table of the entered item:

1 - item added Qty: 1

Category	Description/Genius	Description/Species	Note/Qty	timestamp	
L	Aequidens	rivulatus - - -	3 young	2014-01-16 22:06:50	X

When you choose a different category, the "Add an Item" form will clear.

If you decide that you do not want to bring that item or it is entered wrong, you can click the button in the right column (X) and that will delete that item from your list.
